

Help **John** while he's on sabbatic leave!!

As you may know, **John** will be on sabbatical for much of the summer, and he needs your help! In order for youth activities to be successful, there must be adult chaperones over the age of 25 who can drive and help supervise the teenagers. We've created a **form** that shows the many ways in which any church member may volunteer. Please **visit** the church's **website** and complete the form as soon as you get a chance. Either John, Ashlyn, or Benji will be in touch soon to confirm participation with you.

Thanks so much for your help as we give John a chance to rest and recharge for the years to come!
