SANCTUARY CHOIR REHEARSAL

FROM OUR PASTOR

For most people, the New Year means making some new commitments that will lead to new ways of living. The gyms are never more full than they are the first few weeks of January. New routines of diets and activities begin, and some are carried out through much of the year. We make plans to attend to more of our spiritual growth or our service in our community or to try and do better by all our relationships. The New Year is an opportunity to begin new growth.

In this new year, we are going to spend about 6 weeks talking about a renewed focus that we want to have as we Serve in our community and beyond. We are calling this emphasis CoMission: A New Way to Serve. We will be talking about how we want to be relational, mutual, and intentional as we Serve in our community and beyond. While there are parts of this emphasis that won't be new to many of us, our commitment to try and be consistent across the board as we serve others is new, and we feel it is very important. We want to help others in ways that lead to long-term transformation in their lives so that we are the best stewards of all of the gifts that God has given to us and those we have been called to serve. This will mean that we need to continue to be humble and open as we listen to our partners share with us about their needs. This will mean that we might need to think creatively about new approaches to long-term issues that our community faces. This will mean that we will need to all work together to find the answers to these opportunities. I am looking forward to having this new conversation together as we are CoMissioned together.

God's abundant blessings to you this new year,

8:30 A.M. IN THE DINING ROOM

Teachers of all age levels will meet to prepare for the "Together We Disciple" focus in Bible Study.

A light breakfast will be served at 8:30.

ORGAN RENOVATION

Did you know that our sanctuary organ is the largest pipe organ in North Georgia, with nearly 4,000 pipes? Did you even know our organ HAS pipes? A new project is underway to bring exposed pipes to our sanctuary for the very first time. The pipes would be placed in the choir loft in the empty spaces on either side of the baptistery. Watch for more news and how you can have a part to bring this exciting project to fruition!

We continue to be grateful for the volunteers and the financial support of this very important FIRST group of investigators! We are happy to help you find out where you can plug in! Reach out to John Uldrick or Keith Phillips if you have questions.
